DoD DISTRIBUTION STATEMENTS

	DISTRIBUTION STATEMENTS		REASON CATEGORIES & EXPLANATIONS
A	Approved for public release: distribution is unlimited (used when "reason" 1 is applicable)	**1**	**"Approved for Public Release"** **(used for Distro. Statement A)** -info contains no controlled data and is approved for public release
B	Distribution authorized to U.S. Government Agencies only: (insert "**reason**" category 2,3,4,5,6,7,8,9,10, or 11**);** (insert **date of determination**). Other requests for this document shall be referred to (insert **DoD Originating/Controlling Office**)	**2**	**"Foreign Government Information"** **(Used for Distro Statements B, C, D, or E)** **-**info provided by foreign government to U.S. If foreign government doesn't provide restriction info then restrict to level(s) the info was originally given to**.** or as directed by the responsible DoD Controlling office or higher DoD authority.
C	Distribution authorized to U.S. Government Agencies and their contractors only: (insert "**reason**" category 2,6,7,8,9, or 10**);** (insert **date of determination**). Other requests for this document shall be referred to (insert **DoD Originating/Controlling Office**)	**3**	**"Proprietary Information"** **(Used for Distro Statements B or E)** - (1) info is owned by a non-government entity, or - (2) info is protected by a contractor's Limited Rights Statement (LRS) or other agreement. -protect per contract, Contracting Officer, DoD Controlling Office, or higher DoD authority.
		4	**"Test & Evaluation"** **(Used for Distro Statements B or E)** **-**info results from testing and evaluation of commercial products or military hardware produced by a non-governmental entity
D	Distribution authorized to DoD and U.S. DoD contractors only: (insert "**reason**" category 2,6,7,8,9, or 10**);** (insert **date of determination**). Other requests for this document shall be referred to (insert **DoD Originating Controlling Office**)	**5**	**"Contractor Performance Evaluation"** **(Used for Distro Statements B or E)** -info derived from management review of a program or contractor, performance records, or other advisory documents evaluating a contractor program when dissemination could result in unfair advantage/disadvantage to the contractor.
		6	**"Critical Technology"** **(Used for Distro Statements B, C, D, E, F, or X)** -info or technology is on USML or CCL ("Export Controlled") and release to other than designated restricted group will have a negative impact on U.S. military activities or help potential adversaries overcome military deficiencies.
E	Distribution authorized to DoD components only: (insert "**reason**" cat. 2,3,4,5,6,7,8,9,10, or 11b**);** (insert **date of determination**). Other requests for this document shall be referred to (insert **DoD Orig./Control. Office**)	**7**	**"Premature Dissemination"** **(Used for Distro Statements B, C, D, or E)** -info is such that disclosure at this time, except at the discretion of the DoD controlling Office outside of the restricted audience, would compromise DoD's interest in protecting a patentable technology
F	Further dissemination only as directed by (insert **DoD Controlling Office** or **higher DoD authority);** (insert **date of determination)** (Use this distribution statement only when the DoD Originating/Controlling Office or higher DoD authority directs other than Distro Statements, A,B,C,D,E, or X and then use with "reason" 6 or 11c)	**8**	**"Software Documentation"** **(Used for Distro Statements B, C, D, or E)** **-**restricted according to term of software license or the DoD Controlling Office
		9	**"Administrative/Operational Use"** **(Used for Distro Statements B, C, D, or E)** -info describes administrative procedures or operation with technical content (i.e., equipment maintenance or weapons operations manual). May be UNCLAS, but is considered sensitive info and distribution should be limited to entities requiring it for U.S. Government purposes or to conduct official business for DoD.
		10	**"Specific Authority"** **(Used for Distro Statements B, C, D, or E)** -a specific authority (i.e., Executive Order, Federal Regulation, U.S. statute) governing this info restricts its distro to recipients as documented via a specific Distribution Statement.
X	Distribution authorized to U.S. Government Agencies and private individuals or enterprises eligible to obtain export-controlled technical data in accordance with (insert **appropriate regulation**); (insert **date of determination**). DoD Controlling Office is (insert **DoD Originating/Controlling Office**) (Use this distribution statement with 'reason" 6 or 11a. Use sparingly - **Export Control** basically the same)	**11**	**"Direct Military Support"** **(Used for Distro Statements B, E (below), F (below), or X (below))** -technical data is export-controlled and of such military significance to another country or to a joint U.S.-foreign program that its release for other than direct support of DoD activities potentially jeopardizes an import military advantage of the U.S. Release can be made to: a. any permitted access to UNCLAS export-controlled data for foreign military sales (with X) b. any DoD component in the joint program (with E) c. recipients as directed by the DoD Controlling Office or higher DoD authority (with F)
